

Skyridge PTO Direct Drive

Make One Donation for the Whole Year Today!

As a parent or guardian of a Skyridge student, you're automatically a member of our Parent-Teacher Organization—a.k.a. Sky PTO. Rather than badger you all year, we raise money once, through our "Direct Drive." No sales, no stuff involved.

Your contribution allows us to help make our school a place for students to thrive. We do this by supporting our teachers and staff so they can focus on what's important: our kids.

Over the last four years, your donations have allowed Skyridge PTO to provide over \$4000 in funding for several important core- and extra-curricular enhancements including the following:

- 8th grade "To Be a Slave Project" class speaker and raw cotton (annual program)
- Replacement iPad for science program
- Robotics kits
- Portable bleachers
- Sky panels – to soften fluorescent lighting
- Counseling workbooks and subscription to Career Cruising
- Camas 4 Kids Health Fair
- Hawk Mart Merchandise to support the Positive Behavior Interventions and Supports Program

Please help us fund more projects in 2018-19 by making your donation today! Any sum is greatly appreciated, with \$50 per family being the suggested amount.
